# Independent Auditor's Review Report

**To the Shareholders**

**Perfect Presentation for Commercial Services Company**

(A Saudi Joint Stock Company)

Riyadh, Kingdom of Saudi Arabia

## Introduction

We have reviewed the accompanying interim condensed statement of financial position of Perfect Presentation for Commercial Services Company (the "Company") as at June 30, 2024, and the related interim condensed statement of profit or loss and other comprehensive income for the three and six-month periods ended June 30, 2024, and the interim condensed statements of changes in equity and cash flows for the six-month period then ended, and other explanatory notes. Management is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34 'Interim Financial Reporting ("IAS 34")', as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

## Scope of Review

We conducted our review in accordance with International Standard on Review Engagements (2410), 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' as endorsed in the Kingdom of Saudi Arabia. A review of interim condensed financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.
